

Tech Talk

Upcoming Training Classes

Space is limited. Advance registration required.

Free iPad Overview February 23rd from 10-11am

Have an iPad and want to learn some quick tips and tricks? Thinking of buying an iPad? We'll cover navigation, the App Store, settings, printing, email, web browsing, books and more. Please register for this class on our website at www.nerd4rent.com.

Navigating the Internet, and Computer Terminology April 9th from 10:30am-Noon

This class will focus on the basics of Google searches to find what you're looking for on the Internet. We'll also cover common computer terminology to help you understand some of the technical jargon you hear everyday. This class is being held at the Lafayette Community Center at 500 St. Mary's Rd, Lafayette. Please call 925-284-5050 to reserve your seat. The cost is \$3, \$1 for Senior Center members.

Phone: 925-283-5666 or 510-444-6373

E-mail: support@nerd4rent.com

Personal Note from Edward

This newsletter is devoted to giving you a place to record your passwords. In almost every case, we find that our clients don't have their passwords for email, vendor websites, etc. recorded.

For troubleshooting, new computer installations, or anytime you need to sign in to manage your email, download your purchased anti-virus or other software, your username and password are required (Yes, you DO have an email password!). Not having the current username and password causes delays, frustration and adds to the cost of servicing your computer.

We created the password list on the back of this page to help you record this critical information, so you will have it at hand. We also have a version that you can fill out online and print on our website at www.nerd4rent.com.

As February is the month of love, we thought we'd take the opportunity to thank you for your patronage, friendship and referrals. Over the years, many of you have become more than just clients-you are valued friends, and we appreciate and love all of you. We are truly blessed to have you.

Please take a moment and tell the important people in your life that you love them. We don't do that often enough. It means so much to your loved ones, and it makes you feel great too!

Edward Zeidan
